Bring the nostalgia of an old timey candy shop to your home kitchen. Store these chocolate-dipped pretzels in a tall, decorative glass on your countertop for a perfect aesthetic.

Ingredients:

12 ounces semisweet chocolate chips
1 (10-ounce) bag pretzel rods
1 cup mini candies of choice (such as mini chocolates, peanut butter cups, or sprinkles)

Directions:

- 1) Line a baking sheet with parchment paper.
- 2) Place chocolate chips in a microwave-safe dish; microwave until chocolate is just melted, about 45 seconds, stirring every 10 seconds. Remove immediately and stir well.
- 3) Roll each pretzel rod in melted chocolate, coating most of the way up each pretzel. Roll in assorted candies of choice; arrange on prepared baking sheet in a single layer.
- 4) Refrigerate until hardened, about 10 minutes. Store in a sealed jar or plastic bag.
